12(B)(2)

DECLARATION OF GEORGE WEBB SWEIGERT

I, George Webb Sweigert, hereby make a special limited scope appearance before this honorable court to reject personal jurisdiction and state the following, provided under penalties of perjury.

I am a nonresident providing a special limited scope appearance in New York for the sole purpose of contesting this claim without thereby subjecting myself in personal jurisdiction.

I am a non-represented non-attorney.

I hereby state that I am a non-domiciliary individual with regards to New York's long-arm statute.

I do not transact any business within the state or contract anywhere to supply goods or services in the state. I do not know the other Defendants listed in this case, and I have never knowingly communicated with them.

I do not regularly conduct or solicit business, or engage in any other persistent course of conduct, or derive substantial revenue from goods used or consumed or services rendered, in the state.

I do not expect or should reasonably expect my acts to have consequences in the state nor derive substantial revenue from interstate or international commerce of such acts.

I am not engaged in purposeful activity – some act by which an individual purposefully avails itself of the privilege of conducting activities within New York, thus invoking the benefits and protections of its law.

I do not consent to service of process to establish personal jurisdiction within this honorable court.

I make these statements only in the capacity of a special limited scope appearance without accepting the honorable court's jurisdiction.

So sworn under the penalties of perjury.
